About Us

Our mission is to create an exciting, innovative, and neighborly fresh and prepared foods destination that impacts consumer senses, builds customer value through the attributes of friendship and education, and promotes healthy living. Constantino's Market Place is the premier produce vendor with a stand that encompasses 1,275 square feet of fresh produce, a full service deli, imported and domestic meats and cheeses, and many more specialty items. Other offerings include our gift baskets and catering. What better way to say you care at the holidays or any day than with a signature or customized gift basket? We can even fulfill your culinary wishes for any upcoming events or holiday parties through our personalized catering services.

Thank you for your interest in Constantino's Market Place.
Feel free to contact us.
